

## ELECTRONIC TRANSFER OF SALES FIGURES

The Sales-Based Rent Accelerator automates and simplifies the process of collecting periodic sales reports for your sales-based rent contracts. Integrating your tenants into the data entry process means that the sales figures will be updated automatically and instantly in the sales contract. As a result, you will be able to invoice faster and improve your cash flow.

### AN AUTOMATED AND SIMPLIFIED PROCESS

1. Send e-mail to the tenant
2. Tenant connects to the application
3. Authentication process
4. Tenant enters his or her sales
5. Sales are send to SAP RE-FX
6. Sales are stored in the contract
7. Tenant gets a confirmation e-mail

## HOW YOU CAN BENEFIT FROM USING THIS *Instant RE Solution*

- The tenants enter their sales on the Internet
- The sales figures are updated automatically in the real estate contract without any user intervention
- You invoice your sales-based rent contracts faster
- The outcome: You improve your cash flow
