Transposal of Vacant Rental Objects to Real Estate Portals

ℹ SYSTEM-SUPPORTED PUBLICATION OF RENTAL OBJECTS WITH DATA AND IMAGES

To reduce periods of vacancy, objects about to become vacant or are already vacant including pictures need to be published automatically on one or more real estate portals as soon as notice of termination is received. At the same time, you need the data for prospective tenants in your SAP system.

➕ YOUR BENEFITS BY USING THIS ADD-ON

■ Rental objects are automatically published upon receipt of termination notice (reduces vacancy periods)

■ Rental objects, partner data, and images are hereby transferred electronically to the real estate portals

■ The prospective tenant data is inserted automatically and can be processed further
